O R D E R

On March 21, 1991, the Commission received a letter from Ulice Rife, Jr., acting on behalf of B & H Gas Company, Inc. ("B & H"), requesting that the Order in Case No. 89-018 be vacated. The Commission will treat this letter as a request to reopen the case and will grant the request herein. After consideration of the request, IT IS HEREBY ORDERED that Case No. 89-018 be and it hereby is reopened.

IT IS FURTHER ORDERED that B & H shall submit the following information to the Commission within 10 days of the date of this Order:

1. Concerning the letter dated March 8, 1991 from the Commission Staff to Mary Ann Coleman, CPA, acting on behalf of B & H, provide any comments, recommendations or concerns B & H may have regarding the facts as stated therein, including the desire of B & H to treat the transaction as a stock acquisition. Provide any additional evidence the company feels is necessary in order for the Commission to fully reevaluate this case.

2. The staff's letter of March 8 contains certain recommendations relative to the proper amount of acquisition adjustment which should be recorded on the books of B & H. Assuming that the Commission vacates its Order in Case No. 89-018 and any acquisition adjustment associated with that case is removed from the books, and taking into consideration the 1987 incorporation of a "new" B & H Gas, will any acquisition adjustment be recorded on the books of B & H? If so, provide any documentation available to support the amount of the acquisition adjustment being recorded.

Done at Frankfort, Kentucky, this 10th day of May, 1991.
